Curriculum Vitae

Personal Information

Name: Mujeeb ur Rehman

Education: FSc in Pre-Engineering

Institution: Concordia Colleges, Charsadda Campus

Languages: Pashto, Urdu

Professional Summary

I am a dedicated and motivated student of PIAIC, specializing in Agentic AI. With a strong foundation in Python programming and libraries like pandas, numpy, and streamlit, I am focused on mastering LangChain and Retrieval-Augmented Generation (RAG). My ultimate goal is to become an Agentic AI Engineer.

Skills

- Python Programming

- LangChain

- Retrieval-Augmented Generation (RAG)

- Python Libraries: pandas, numpy, streamlit

- Languages: Pashto, Urdu

Career Goal

My career goal is to become a proficient Agentic AI Engineer, capable of creating innovative AI-driven solutions to complex problems.
